**About Vision of Life, Inc., 501 (c) (3) Tax-exempt Nonprofit**

The mission of Vision of Life Transitional Living Program is to provide sustainable services and supported transitional housing to young adults who are aging out of foster care, homeless, at-risk of homelessness, or are re-entering the community from a juvenile detention center with the goal of preparing them for independent permanent housing, employment, and careers. Our services are designed to assist these young adults with housing, employment, academic enrichment, and utilization of community services/resources. These services are coupled with intensive emotional and therapeutic support with the ultimate goal of helping young adults to live independently and establish a firm foundation from which they can continue to work toward their long-term personal and professional goals.
